*Searching for:*

an online method for buying and distributing digital content (i.e. music or games or software or movies) from a merchant website whereby

the buyer/shopper selects a product and places an order and the buyer also specifies a desired delivery timeframe/period;

in turn, the website sends the digital content to the buyer and incorporates a program, which will erase/delete the content after a time period/frame that is longer than the delivery period specified in the buyer's order.

other search terms .....

"try before buying" with specified time period or

"time bombs" with specified time period
